

**ERRATA** – 2022-02-18

**Name doctoral student:** Pieta Eklund

**Thesis title:** Academic librarianship in flux: the dynamics of negotiating professional jurisdiction

**University/Department:** University of Borås/Swedish School of Library and Information Science

P 233, 2<sup>nd</sup> paragraph it is written that:

In the context of this study, academic librarians either push for a level of control within research or are pulled back from it.

The correct wording is:

In the context of this study, academic librarians either push for a level of control within research or are pulled toward a level of control by researchers.
