

Artistic work 5

blankout, blackboard paint, staples, drawing chalk, copper wire, led-lights, the absence of electricity, 2015

Vague Research Studios (Lena TH Berglin & Kajsa G. Eriksson)

Part of imago mundi, Luciano Benetton Collection, www.imagomundiart.com

Power is unequally shared in the world, one in four people live without electricity. Art and art production is therefore not only a question of choice but a question of power.
